# Dedication

A yearbook is dedicated to an individual who himself has dedicated his efforts towards building youth. This man has devoted his time and efforts unselfishly to the betterment of our sports program. Although he has been Athletic Director at Chaffey for less than five years, due to his limitless efforts, he has made Chaffey's sports program one of the finest in the state. His active participation in the development of the pride and school spirit at Chaffey has endeared him to everyone. All of us have the greatest esteem for this man whose integrity, sense of humor, and beaming spirit have made him a friend to both the athlete and the student. It is with great joy and pride that we, the class of '77, dedicate our *Fasti* to Clyde Francisco.

# . . . To Reflect

Seniors seem so distant — granite and foreboding, barely approachable. You keep wondering if you'll ever get there but you know you will. You've hit the big time, and you think you've left the growing years behind when you're really just beginning.

Beginnings . . . of term papers, grouchy teachers, having to face day after day of cafeteria food but not wanting to starve.

Starved . . . sometimes you feel that way, lost among so many; most don't even know you're alive. They worry about themselves while you pray that high school won't be like this for your kids.

Kids . . . that's the way they all look when you're a senior. You feel sorry for them all, they must stay and face this life for another year. You secretly envy them, though; they-'ve got no choice but to stay.

— Marcy George

# Coach's Comment

"The '76 Chaffey Tigers were a championship team. Winning back to back league titles is quite a feat, finishing on top of the CBL in both 1975 and 1976. There is a motto in our dressing room that reads: 'It is amazing how much can be accomplished when no one cares who gets the credit." This group of young men personified that motto. It is one of the reasons for their outstanding success. They were exciting to watch as well as to coach. Any time these young men took the field they could make things happen. Extremely talented in many areas they were explosive offensively and one of the toughest defensive units Chaffey has ever fielded. We at Chaffey are justly proud of these young men who represented our school so outstandingly."

Coach Ray Stark

The Tigers set a new Chaffey record in their win over Pacific.

# *Tigers finish 6-4 overall*

It was a season of highs and lows. Chaffey opened up with a victory over perennial powerhouse Pasadena, but ended the season with a loss to a tough Los Altos squad in the play-offs. And in-between, the season went on the same up and down cycle.

After pounding Pasadena's Bulldogs 20-12 in the season opener, the Tigers were caught off guard by a fired-up Edgewood team, 10-0, which brought the sky high varsity squad down to earth.

Chaffey followed up the loss to Edgewood with a second loss, but this turned out to be one of the high-points of the season. The Tigers lost to then fourth ranked Servite, but not before they had given the visiting Friars a run for their money. Tied 3-3 in the fourth quarter Servite Quarterback Pat Carreon hit his receiver for a three yard gain, but the fast Friar broke into the open and scored on what became a 75 yard pass play that eventually won the game. The final score was 10-3, but it proved to the CIF that the Citrus Belt League is not quite as weak as is believed.

Chaffey then let Arcadia feel the full brunt of the Tigers' wrath, as the Varsity blasted the Apaches 49-14.

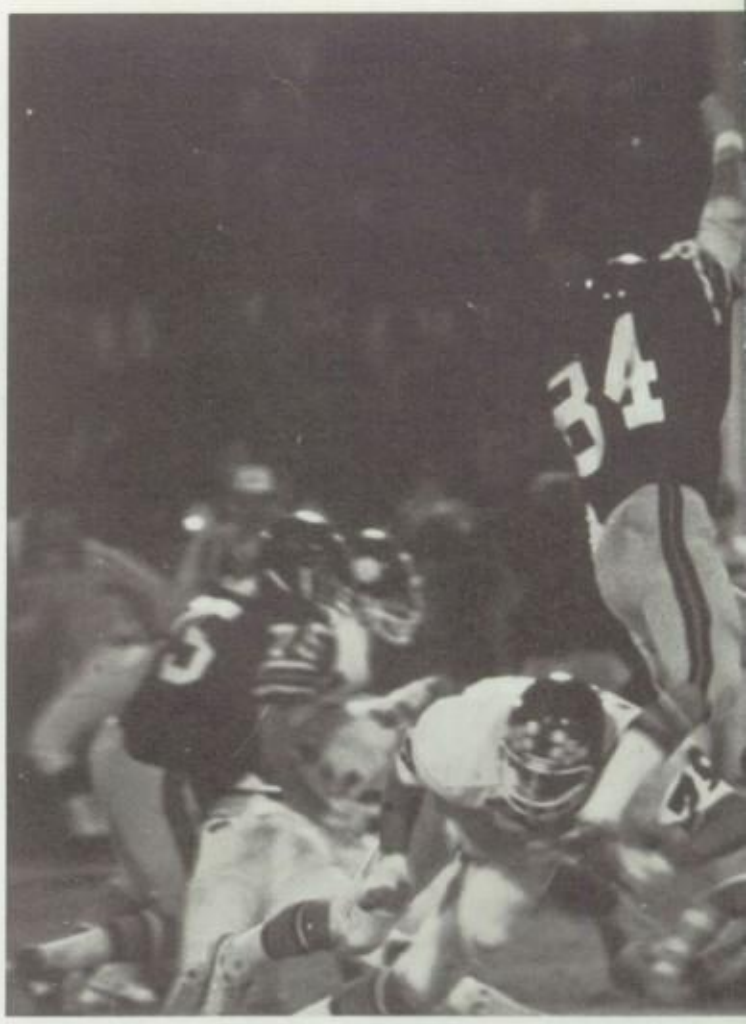
Coach Ray Stark's squad carried the momentum gained in the Arcadia match into CBL competition, as Chaffey knocked off highly rated Eisenhower 33-14.

Then came the game that Chaffey has waited four long years to experience. This was the year that the "Four year curse" put on the Tigers by Redlands' Terriers was in Chaffey's favor. The long draught was ended as the Varsity team thrashed the Terriers 28-7.

After a 32-7 drubbing over San Gorgonio came one of the best offensive efforts in modern Chaffey history. The Tigers amassed 485 total yards against Pacific's Pirates, as well as 56 points, as the varsity squad shut-out Pacific 56-0.

Once again, the Tigers were sky high, riding a 5 game winning streak, with only Fontana's Steelers between Coach Stark and his first undefeated CBL campaign. But the Steelers played the part of the spoilers, defeating the Tigers 15-14 on a two point conversion.

Chaffey ended the season with 22-14 loss to Los Altos in the first round of the CIF 4-A play-offs, giving the Tigers an overall record of 6-4.



All CBL Player Dean Steff block a Servite pass.

Gable holds for a Pomerenke field goal.

Offensive Back Frank Fernandez scrambles for a TD.

# 1976 season — a year of firsts

"This season had a theme of firsts. It's the first time a Chaffey team has traveled abroad (the team spent a week in Hawaii this summer playing AAU ball). It was the first season a Chaffey team has participated in the Moore League Tournament in Long Beach. It was the first time that a Chaffey squad has ever been ranked in the 4-A polls. But the thing I will remember always will be the first CIF 4-A play-off victory ever, when we beat Downey 10-7. That will go down as probably the happiest day in my life, after all the near misses. We knew what we wanted to do, and we did it."

** CIF Play-off

At the beginning of the 1976 water polo season, Chaffey's varsity squad set a goal for themselves. "We set as our goal," said Head Coach George Harris, "That of winning a first round CIF play-off game."

In a game played at Cal Poly Pomona on November 24th, Coach Harris and his varsity squad reached their goal, defeating Downey's Vikings 10-7. But between the season's start and that game, alot more happened than just preparing for a single game.

Chaffey opened the season in the Moore League Tournament held in Long Beach. Chaffey, who was seeded 31st in the 32 team event, defeated Mission Viejo 9-8 that meant alot to Coach Harris. "Mission Viejo knocked us out of the play-offs in '75, and that win made up for the previous loss."

Chaffey finished 12th in the tourney, with two wins and three losses.

The Aqua-Tigers then began their defense of the Citrus Belt League crown with a 29-3 destruction of Cajon.

Next on the schedule was the South Bay Tournament held at Aviation High School, which Chaffey won for the second straight season.

After ripping San Gorgonio's Spartans 26-0 in what was supposed to be a close CBL match, the Aqua-Tigers traveled to 3-A Villa Park. The Spartans gave the varsity a scare, but Chaffey won the match, 11-9.

In another CBL match that was supposed to be close, Coach Harris' squad mauled Redlands to all but clinch the league title.

Chaffey then bombed Muir 14-4, lost to Beverly Hills 5-4, zapped Eisenhower 31-0, clipped Claremont 19-8, and rusted Fontana's Steelers 23-1.

Once again the Aqua-Tigers hit the road, this time traveling to Rolling Hills. Chaffey ripped RHHS 17-5, and then finished up CBL play with a 34-1 demolition of Pacific.

Coach Harris' Squad finished up the regular season with a 12-9 loss to Riverside Poly.

Then came the game that the season had been building to. The climax of the entire year. For some, even the climax of a high school career. Chaffey won the CIF play-off match against Downey 10-7 in a game that wasn't as close as the final score indicated.

The Poloists ended the season with a loss to powerful Mira Costa, 12-7, in the second round.

Chaffey was also honored to have the Co-Most Valuable Players of the CBL on their team in the persons of Senior Craig Sipes and Junior Mike Evans.

Sipes, nicknamed "the Animal" by his teammates, scored 43 goals in league competition and helped the Aqua-Tigers with his strong defensive play.

Evans, meanwhile, set a national scoring record with 148 goals in a single season. Evans scored 52 goals in CBL play, helping the Aqua-Tigers outscore their opponents by an average of 25 goals plus per game.

Other players on the first team were Senior Pete Bringman, along with Juniors Jeff Thornton and Pat Martin. Honorable Mentions included Senior Jim Albert and Juniors David Guimond and Mike Smith.

Cross country proved to be the surprise of the fall. The young Varsity Harriers, despite the loss of Tim Mattison, came within one point of a Citrus Belt League Championship. The Tigers ended the season with a 4-1 league record, losing only to league champion Eisenhower. They went into CBL finals tied for first place but finished second to Eisenhower 43-45. The Tigers were led by sophomore Mark Hayes to finish in second place. The Harriers went on to the CIF semi-finals and took eighth in their heat. Highlights of the season included beating San Gorgonio to give San G their first loss in four years taking second through sixth spots to rout them. The Harriers set team records at CBL finals, and also twice at Mt. Sac.

At the Riverside Invitational the Tigers top efforts were Scott Mayfield who finished 7th in the Junior race, and Santibanez 12th in the Senior race. At the Chaffey District meet the Tigers finished second and at the Pacific Invitational 3rd. Led by Santibanez' 6th place finish Chaffey made a strong showing in the Mt. Sac Invitational. The Tigers number one runner was Santibanez followed closely by Scott Mayfield. The Varsity team this year consisted of two sophomores, four juniors, and three seniors.

# Coach's Comment

What started off as a rebuilding year turned into a near CBL championship. We were really surprised with the way the season went. With our top two runners having left and our team consisting of mainly juniors and sophomores, we figured that it would be a rebuilding year, but we came within one point of getting our first ever CBL championship. We were really pleased on how the team came along. This was the finest TEAM that Chaffey has ever had, and although there were no individual records set, we broke just about all the existing team records. Overall, we were extremely pleased with this year's team an how the season turned out.

# Cagers finish 8-16

At the beginning of the 1976-77 season many people referred to the season as the "Year of the Short." And although some meant short in stature, others were speaking about ability and willingness to win.

Those who meant the latter pointed to the pre-season, saying "Yeah, that's just about how they will do in league play." But Head Coach Don Nelson's Varsity squad used the pre-league tournaments as a learning experience, a time to test new plays and to run through others.

After a dismal 2-7 pre-league play, most people expected the Varsity cagers to fold after one round of Citrus Belt League play. But the Tigers surprised everyone, including league leading Redlands to gain a tie for first place with a 4-1 record after the first round. Chaffey's four victories came against Pacific (76-71), Fontana (72-69), San Gorgonio (66-64 in over-time), and Redlands (66-61), with their one loss coming to Eisenhower (83-50).

Hopes ran high on campus that the Tigers might be able to repeat as league champions for the second straight year. But it was not to be, as Chaffey dropped 8 of their last 10 CBL contests to finish tied for fourth place with Fontana at 6-9. But the Tigers needed not to hang their heads, for they had proven that they could, and did, play to win even though they were short.

# Coach's Comment

Head Coach Don Nelson

"After the Redlands game, the team got together in the locker room and talked about the season. And, to tell the truth, they were pleased with the season. Although they didn't win the league or finish over .500 for the year, they were happy because they had shown the critics that it was possible to win without a big line-up. And if the squad is happy with the season, who am I to complain. The idea of high school athletics is to teach the kids something, not to win all of your games. And if you accomplish that, then you are a truly successful coach."

The sophomore team coached by Dennis Wilbourne, ended the season with an overall record of 10-12 and a CBL record of 4-10. The tigers started off on a tear as they jumped out to a 6-2 record but could only win four league encounters to fall below .500.

The Tigers ended the season with an unblemished 5-0 league record and an 11-1 overall record. For the first time in ten years the tigers captured the CBL crown. Led by Dave Kaufman and Jeff Barksdale, who advanced on to the CIF Finals, the tigers had more wrestlers qualify for the CIF prelims than any other Citrus Belt League team. Also going to the prelims were Don Vicario, Leonard Bumpus, Dave Bahney, Skip Champion, Alex Olive, Jim Foskett, and Bob Baltierra. Other varsity members were Kurt Hams, Enriquez Lopez, Bill Pugh, and Greg Poupard. Chaffey participated in three tournaments, placing 3rd in the Pacific High Tournament, 1st at Mt. "This year is the first time Chaffey has won the CBL in my 10 years of coaching wrestling. Chaffey has gotten runner-up and third place but never first. I am looking forward to another good year next year. We are losing only 4 starting seniors, Skip Champion, who placed 1st, Dave Kaufman, 1st, Jim Foskett, 2nd, and Bill Pugh, 3rd. We have 5 returning CBL champions Leonard Bumpus, Jeff Barksdale, Dave Bahney, Alex Olive, and Bob Baltierra. This years team can be considered as the best in Chaffey history. They were ranked #1 in CIF for 7 to 8 weeks and were truly exciting to watch. # *SOCCER GOES FAR*

For the second consecutive season, Chaffey's Varsity Soccer team went to the CIF semi-finals before being knocked out of the playoffs. But the difference between the 1976 season and the 1977 season are very easily spotted. During the '77 campaign, Head Coach Serian Stepanian's squad went from the 4-A ranks to the 3-A division for league reasons, but the lowering in divisions did not lower the brand of soccer played. The Tigers found themselves the "team to beat" when they were named #1 team through-out most of the season. Not only was the squad as a whole recognized as one of the finest teams in Southern California, but two members were named All-Americans by Prep Magazine. Forward Frank Fernandez and Goalie Javier Ramirez were the two Tigers honored, and rightfully so. Javier posted thirteen shu-outs over the season, and allowed only one goal in five other contests. Chaffey began with a strong pre-league schedule which saw the Tigers face the #1 4-A team Arcadia twice, and beating them once. Chaffey also won the Kennedy Soccer Tournament, and placed sixth in the prestigious Damien Invitational Tournament. The Tigers then entered Ivy League play. The Ivy league was the strongest league in 3-A soccer, with three of the four semi-finalists in the play-offs coming from the league. In the big game of the season, the Tigers traveled to Palm Springs in the game that would decide the Ivy league champion. Chaffey lost a heartbreaker, 1-0. But the Tiger's 8-1-1 league record was good enough for a CIF berth.

Coach Harris

# Coach's Comment

"If all goes well, this will be the finest swimming team Chaffey has had since 1974. Despite losing our top six "point getters" from the '76 team, this squad has bounced back incredibly and upset Redlands for the league title. The teams successful formula was unlimited team enthusiasm and spirit combined with the fact that different individuals every week seemed to come up with clutch performances to assure this victory. With only six varsity lettermen graduating this year, the swimming domination that Chaffey was once known for may once again return to the school."

# SWIMMERS CLINCH TIE

For the first time since his coming to Chaffey, Head Coach George Harris can proudly boast that his aquatic squads have attained the Citrus Belt League Aqua-Title. The Aqua-Title is an unofficial award that goes to the school that wins the league crowns in both Water Polo and Swimming. Although it was not definite at publication time Coach Harris' Swimming and Diving squad at least a tie for the CBL crown with an 89-83 dual meet victory over perennial champion Redlands. Redlands put a twenty-nine meet winning streak on the line as they hosted the Aqua-Tigers on March 3. As always, the Chaffey — Redlands match was sure to decide who would win the league crown, and this year's meet was sure to be close. It all came down to the final event. With 250 screaming Redlands fans looking on, Chaffey and Redlands went into the 400 meter relay freestyle with a 79-79 score. When it was all over, the relay team of Mike Evans, Dan Spencer, Peter Bringman, and Jeff Thornton had combined for a time of 3:31, not only breaking their previous best time, but also beating the Terriers relay squad by a full four seconds. "This was one of the greatest moments while coaching swimming that I have ever experienced." commented Harris. "They (Redlands) had defeated us in '75, 98-78, and in '76, 96-76, so even though it was only by six, it was as good as a thousand."

After a tough swimming practice, the Chaffey swim team decides that Coach Harris deserves a break.

# *Tennis '77*

Hopes were high for the 1977 Varsity Tennis season, with a strong team rich in returning lettermen. Under the direction of new Head Coach Wally Waters, it was felt that the Tigers had a good shot at the Citrus Belt League crown this season. Lead by singles star John Steritz, other standouts included Roger Wampler and Freshman Mike Telada. The top Chaffey doubles team consisted of Dean Hughbanks and Jack Newman.

# *Tennis finishes fourth*

Chaffey's Varsity Girls' Tennis team although suffering through a dismal 2-6 record and finishing fourth in the Citrus Belt League showed great promise for the future as the team consisted mainly of underclassmen. Under the direction of Head Coach Karen Berry, the Girls' Varsity Basketball team had a mediocre season, with only a few bright spots at the time of publication. Led by Seniors Tanya Bowie, Terri Rodgers, And Dana Crappa, Chaffey played Quatrz hill in the first round of CIF play-off action. Unfortunately, the Tigerettes were unable to compete with the strong visitors, dropping the match by a score of 12-15, 13-15. The loss left Chaffey with an over-all record of 10-6.

Some people enjoy sports, but don't have the true ability to play. So what is left for them to do? Just sit up in the stands and cheer. That may be fine for most, but there are a few dedicated people who want to get involved, who want to serve a function, who wish to be a part of the team even though they haven't got the athletic ability.

What is left for them is the job of team manger. Many students consider the manager as just a student who wanted to get a Varsity or J.V. letter without really working for it. But all managers will protest, saying that to get a managers letter takes a lot of hard work, time, energy, and a willingness to want to work for and with the team. Some managers work in the locker room and with the equipment, others are statisticians. But no matter what he or she might do, that person does it not just for his or herself, but for the team.

Some students work with a team for one year, while others work for their entire four years in high school. Either way, when the season is through, they can be proud and say "Yes, I was part of the team." For without the hard work and effort they put forth, Varsity sports would and could not function as smoothly as they do now. The 1977 Fasti staff now takes time to recognize those who have taken time to dedicate themselves to their individual sports. To those people, this page is a long over-do tributė, a kind word of thanks from the many athletes, coaches, trainers, and fans that they have assisted over the years.

"Fascinating Rhythm"

The Chaffey Band has made more of a contribution to the year of 1976-77 than any other year. They have rehearsed for hundreds of tiresome hours and they always return for more. The band is under the direction of Mr. Jack Mercer and the Drill Team is under the supervision of Mrs. Patty Cox. The band and drill team have competed in many tournaments this year. At West Covina they only placed fifth but made a great comeback at Colton by placing first over such schools as Upland, Riverside-Poly, and John North. After their performance at Azuza-Pacific College, they performed at their own tournament and were selected to play for the Los Angeles Rams on Dec. 4th and for the San Diego Chargers on Dec. 5th. They made this their fall overnighter. Top Sergeant Mark Hollingworth led the summer rehearsals for band while Top Sgts. Soccoro Fuertez, Margaret Royal, and Irma Hernandez led the Drill Team.

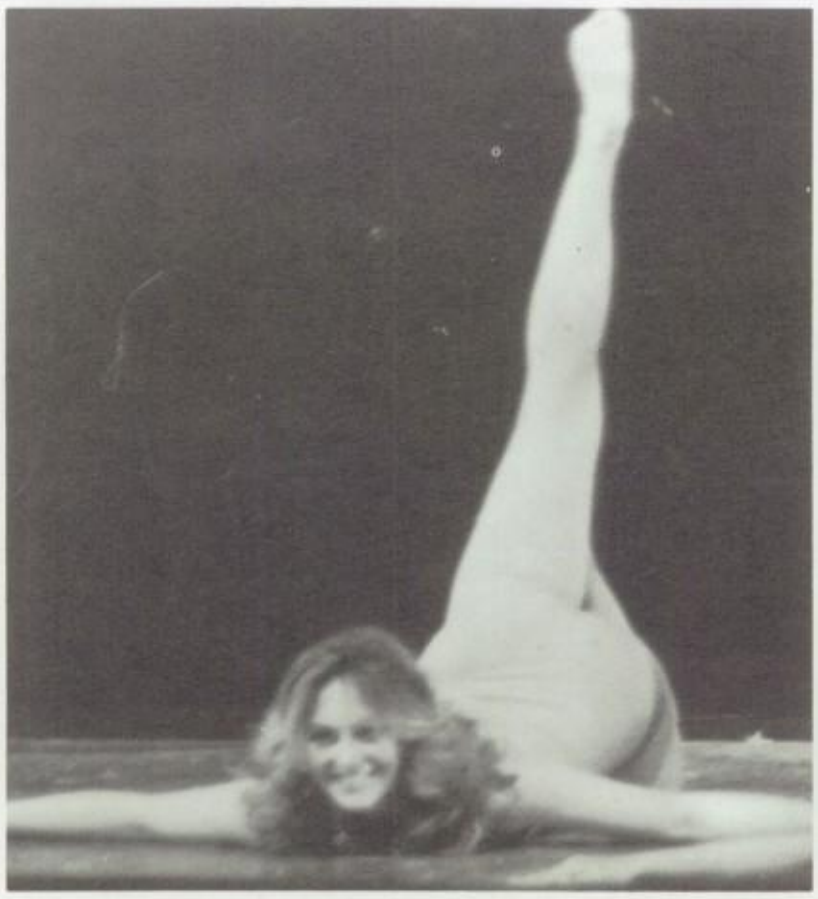
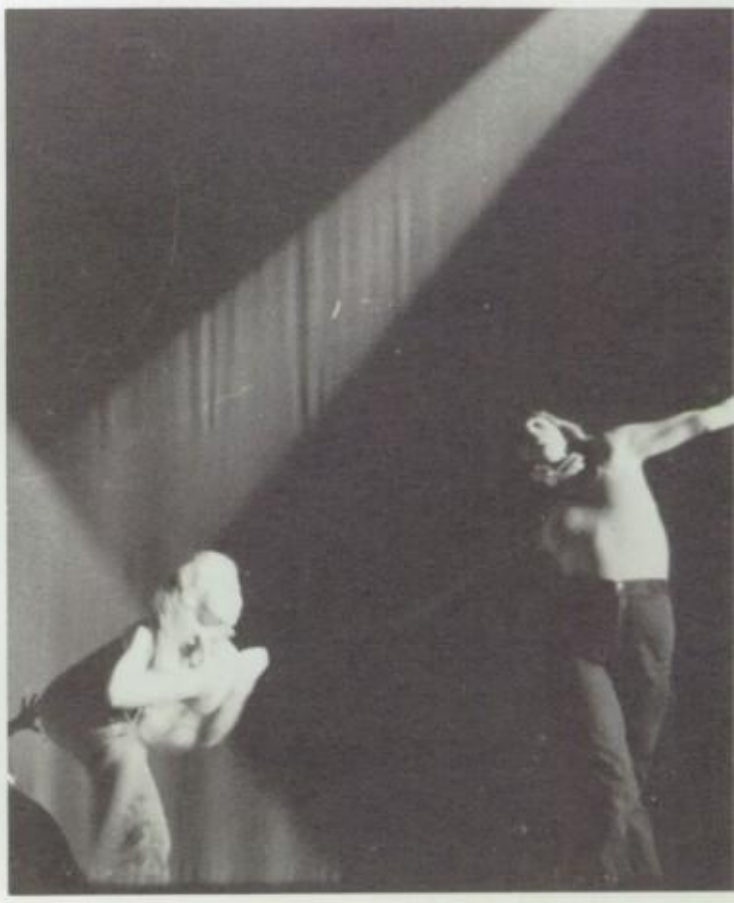
# *Modern Dance*

Time, patience and a lot of hard work is what it takes to be an active member of Chaffey's Modern Dance Program. Under the direction of Mrs. Miller, Modern Dance is now a segment of the Performing Arts Department. Both Intermediate and Advanced Modern Dance is taught. The girls involved in this program spend many hours working on routines to be performed in various concerts, including the Holiday Fling and their own concert which takes place in the Spring.





# National Forensic League

Advisor Ms. Judith Pett

"Being in speech is a fantastic experience and opportunity for everyone involved. You can learn to talk openly and confidently in front of people. Winning trophies is not the main objective of Chaffey's Speech team; the main objective is to get the opportunity to say what you feel and to be relaxed about it. Speech is very helpful if you are planning on going into a career of public relations, but it is also very helpful in day to day living, and dealing with other people. When you go to a speech tournament, you may not bring home a trophy, but you'll always bring home the memories of the experience and the people. Everyone should try to get involved with Chaffey's fantastic Speech Program."

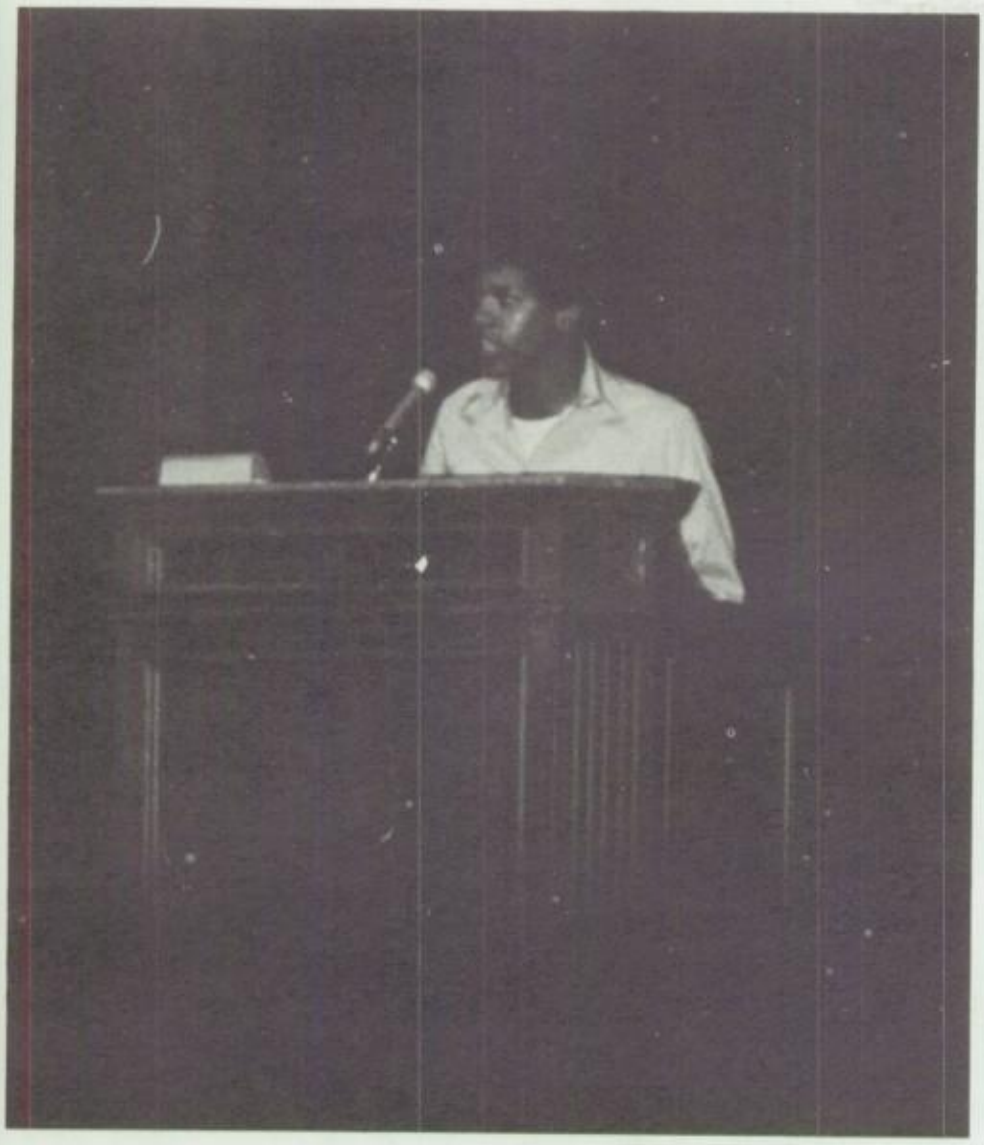
# Black Awareness Week



The week of February 22-25 was set aside as "BLACK AWARENESS WEEK." This week is set aside each year to create an awareness of Black History and Culture. The week was sponsored and planned by the Black Student Union. During the week many activities took place, such as: the carnation sale and the balloon sale. On Thursday, an assembly was held in Gardiner Spring Auditorium. The Program began with two dances given by a local elementary school and by Chaffey High School students. A community speaker then spoke on traumas of youth. On the last day of this eventful week, a Fashion Show and Dance was held at the Holiday Inn in Ontario. The refreshments for the evening were furnished by the Holiday Inn.

There were many people involved in making this week a success. They included, Henry Gonzales — Student Coordinator, Kim Wilcox — President, Wanda Lane — Vice President, Alica Staton — Secretary, Sheryl Wilcox — Treasurer, Ed Saunders — Sargeant-At-Arms, Chauncey Mann, Chris Hurbert, Renee Martel, Sheila Staton, Earl Smith, Ronny Fort, Randy Fort, Edward Clifton, Eddie Clifton, Bobby Clifton, Carolyn Mann, Chris Mann, Joan Steinline, Malcolm Steinline, Eunice McCray, and Missy Furness.

# *Foreign Exchange Students*

*From Left to Right* — Karin Restovic, Marja-Liisa Toivola, and Torill Jahren.

Torill Jahren

The blonde haired, blue eyed Torill Jahren from Oslo, Norway, arrived here in August. She was sponsored by the American Field Service Organization. She lives with her American family, Mr. and Mrs. Richmond and their two daughters, Tricia and Tammy and their son Jeff. In Norway, Torill enjoys European handball and embroidery. She works as a Key Punch operator for a Scandinavian firm. Torill presently participates in Pep Club, and the Mezamachies club.

Seventeen year old Marja-Liisa Toivola is the foreign exchange student from Jyvaskyla, Finland. She lives with her American family Mr. and Mrs. Deason and their son, Jamie and daughter, Tracy. Marja-Liisa will be returning home in July but she says she has enjoyed her stay immensely. The blonde haired, green eyed exchange student enjoys ballet, snow skiing, swimming and studying. Marja-Liisa finds the school system here much easier and the people quite different.

Marja-Liisa Toivola

Karin Restovic arrived in August from her home town Santiago, Chile. During her stay here, she lived with Mr. and Mrs. Alanis and their daughter, Patsy. Karin was sponsored by the Youth for Understanding Organization. In Chile she has a twin sister and one older brother. She enjoys swimming, tennis, stamp collecting and writing in her diary. Karin will be returning to Chile in July.

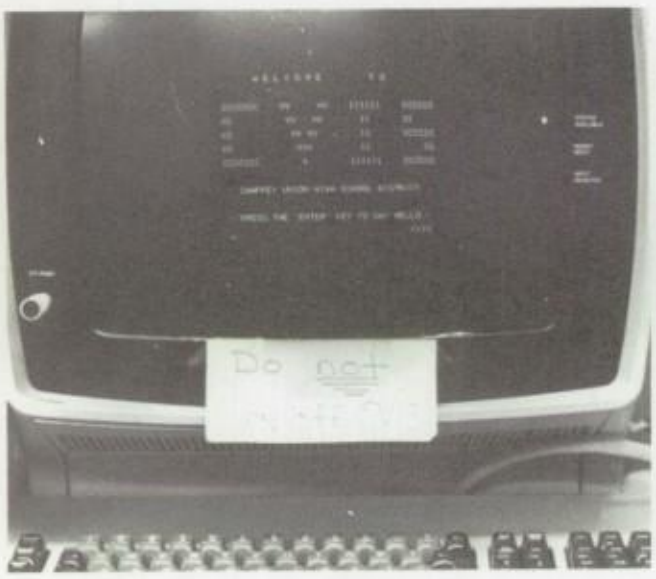
People Interested in People is a program whereby selected and interested students are trained to counsel other students in dealing with various problems which have an affect on their daily lives.

These Peer Counselors are instructed in listening and communication skills and confidentiality. By helping others with problems concerning their family, school, drugs, alcohol, and relating to people Chaffey's student counselors end up learning as much as the students they counsel. Peer counseling has proved itself to be an outstanding program here at Chaffey. Coordinators of the Peer Counselor Program are Bob Godinez, Jim Grace, Paul Sage and Ed Whitney.

# Student Resource Center



Available to all Chaffey students, is the Student Resource Center. This center supplies information about career planning, different vocations, and various colleges. Among the services provided are private counseling, interest and aptitude testing, and speakers on a number of careers. The center is full of the latest sources including books, pamphlets, magazines and audio-visual set ups.

Working to make the Student Resource Center a huge success are Mrs. Cathy Brock — Career Technician, Mrs. Marilyn Metcalf — Project Resource Teacher, Miss Debbie Gordon — Clerk/typist, and the entire Work Experience Staff.

The 1976-1977 TIGER RAG was a publication that took some experimentation before its style was perfected. With a new advisor in Ms. Patricia Murray, and a relatively young staff which consisted of three people with past journalism experience, the TIGER RAG took a little time to start rolling. After early experimentation with a traditional newspaper format, the staff agreed that they could better serve the ASB by using the Newsmagazine format.

Issues on scramble, Expo 81, The Movies, and Student Graffiti were just a few of the major features that the staff researched in-depth. Smaller articles on Working Students, The Return of the Slam Dunk, Title Nine, ESEA Title 1, and Foreign Exchange Students helped to better inform the ASB as a whole.

Editor-in-chief Charles Bentley helped the staff with his leadership and many years of previous experience in the field of journalism. During the course of the school year, several members of the staff attended journalism conferences at the University of Southern California, Riverside, Torrance, San Francisco, California State Polytechnic, Pomona, and Pepperdine University, Malibu. Several members of the staff also participated in several writing tournaments during the year, with Bentley and first semester Features Editor Sandra Walker taking first and honorable mentions respectively in Sports writing and features writing respectively. Other writing tournaments included the Inland Journalism Educator's Assocation's On-the-Spot Writing Tournament at the University of Redlands; the Southern California O-T-S Writing Tournament; and the Western Regional Writing Tournament in San Francisco.

I'm really glad I got to meet you this year cuz I think you're really sweet. Have fun this summer & I'll see you next year. Luv ya Susan Salsa

Jim,
this year has kind of been strange for us and it's all cause of Melinda! We used to be pretty good friends in Vernon and than when you & Mel broke up it's like we wouldn't talk anymore. what a drag! Well, I sure hope thats changed. Melinda and I aren't good friends anymore so that might help. anyway, I'd like to forget about all that and start over K? I'm sure I'll see you at some parties this summer so lets talk K?

Love, Shelly
